REPUBLIC OF SOUTH AFRICA

1. POSITION STATEMENT

- Government Institutions must have an effective, efficient, practical and fit for purpose travel management system that delivers cost effective travel arrangements in support of its mandate.

4. LEGAL FRAMEWORK

- 4.1 Sections 38(1)(a)(iii) and 51(1)(a)(iii) of the PFMA requires AOs and AAs to ensure that their departments, trading entities, constitutional institutions or public entities have and maintain an appropriate procurement and provisioning system which is fair, equitable, transparent, competitive and cost-effective.
- 4.2 Section 38(1)(b) of the PFMA requires the AOs of departments and constitutional institutions to be responsible for the effective, efficient, economical and transparent use of their respective institution's resources.
- 4.3 The AOs of departments and constitutional institutions are reminded that section 38(1)(c)(ii) of the PFMA requires the AOs to take effective and appropriate steps to prevent unauthorised expenditure (in the case of departments), irregular expenditure and fruitless and wasteful expenditure.
- 4.4 The AAs are reminded that section 51(1)(b)(ii) of the PFMA requires the AAs to take effective and appropriate steps to prevent irregular expenditure and fruitless and wasteful expenditure.
- 4.5 Sections 45(c) and 57(c) of the PFMA, require employees to take effective and appropriate steps to prevent unauthorised expenditure (in the case of employees of departments), irregular expenditure and fruitless and wasteful expenditure (in the case of employees of all institutions) within their respective areas of responsibility.

4. LEGAL FRAMEWORK

- 4.6 Institutions are to develop institutional travel and expense policies and or SOPs that are aligned to the minimum requirements of the NTF. The Institutional Travel Policy must be approved by the AO/AA or delegated official. Institutional travel and expense policies, and or SOPs to consider the Institution's unique requirements and delegations of authority.
- 4.7 Where there is any inconsistency between the NTF and the Institutional Travel Policy and, or SOPs, the NTF will prevail.

5. PURPOSE OF THE NATIONAL TRAVEL FRAMEWORK

- 5.1 The NTF provides a framework for consistent decision making by institutions that facilitates travel, accommodation and related expenditure by travellers.
- 5.2 The purpose of the NTF is to provide minimum norms and standards for institutions and travellers travelling on official business both domestically and internationally.
- 5.3 The NTF contains principles relevant to certain circumstances and it does not include procedures or processes, therefore institutions are required to develop their own institutional policies and procedures using the NTF as a minimum standard and may adapt the principles contained herein as may be required having regard to the mandate and operations of the institutions.

6. SCOPE OF APPLICATION

- 6.1 The NTF applies to -
 - (a) institutions;
 - (b) travellers on official business;
 - (c) staff of Ministries and the support staff of Traditional Leaders appointed by the relevant provincial department.
- 6.2 The NTF does not apply to—
 - a) members, as defined in the Guide for Members of the Executive;
 - b) traditional leaders as defined in the Traditional Leadership Handbook;
 - c) the Chief Justice of South Africa, the Deputy Chief Justice and the other judges of the Constitutional Court;
 - d) the President, Deputy President and other judges of the Supreme Court of Appeal;
 - e) the Judge President, Deputy Judge President and other judges of each of the High Courts;
 - f) regional and district magistrates of the Magistrates' Courts;
 - g) the judges of other courts established by an Act of Parliament; and
 - h) members of a Presidential Commission.
- 6.3 The NTF applies to both international travel and domestic travel arrangements. Where distinction is required, the NTF clearly indicates this.

8. GENERAL PRINCIPLES

- 8.1 Institutions may allow the travel booker or an appointed TMC to make travel arrangements on behalf of the institution in line with the institution's Travel Policy.
- 8.2 Travel bookers and travellers must impartially consider the rates and fares available. Travel bookings must not be based on personal preferences for a particular travel service provider, access to lounges or the accumulation of reward and loyalty points.
- 8.3 Travel bookers or the appointed TMC must compare the best price of the day of various airline fares, accommodation establishment rates and car rental rates before confirming a booking, to ensure competitiveness and cost effectiveness.
- 8.4 All role players involved in travel, travel arrangements, authorisations and approvals must exercise good and ethical judgement when incurring, authorising and approving travel expenses.
- 8.5 Travellers must obtain approval from the authorising official for any official business travel arrangements using the institution's travel authorisation Form and the institution's policies and processes.

8. GENERAL PRINCIPLES

- 8.6 The authorising official must satisfy him/herself of the following, prior to approving travel requests:
 - a) The necessity to travel, limited to official business trips in support of the institution's mandate;
 - b) the number of travellers;
 - c) the benefit to the institution;
 - d) other alternatives to travelling (e.g. Skype, video conference, tele conference); and
 - e) compliance with the institution's Travel Policy and procedures.
- 8.7 Compliance with the institution's Travel Policy is the responsibility of all officials, travellers, travel bookers, appointed TMCs and any other person involved with travel related matters.
- 8.8 In all cases where proof of travel expenses is required, e.g. receipts, such proof must accompany the claim for reimbursement. In the absence of the proof of expenditure, the traveller must submit an affidavit, administered by a person authorised to do so by law, detailing the cost incurred and the reason/s for the absence of the receipt or proof of payment. The reasons provided must be justifiable and approved by the authorising official.

8. GENERAL PRINCIPLES

- 8.9 Travellers must safeguard the State's information and assets while travelling on official business and must avoid compromising on security.
- 8.10 Each traveller must maintain, for official business purposes, the validity of necessary personal travel documents such as a passport, visa, international driver's license, etc. The traveller may claim any justifiable costs of doing so from the institution where the relevant authorising official provides prior approval.
- 8.11 Institutions must limit international travel to critical official business trips and limit the number of the delegation to travellers directly involved in the subject matter of the meeting or event.
- 8.12 Requests for international travel must include the following:
 - a) A formal invitation or motivation or both for the visit and its benefit for the institution's mandate;
 - b) an indication of whether the trip is fully or partly sponsored;
 - c) the financial implications of the visit; and
 - d) any support staff, or other officials, including the roles of each Official (if applicable).

8. GENERAL PRINCIPLES

- 8.13 The institution and the traveller must familiarise themselves with the necessary protocols prescribed by the Department of International Relations and Cooperation for International Travel.
- 8.14 Before a traveller departs on an international trip, he/she is obliged to seek advice on the following, for their own benefit:
 - a) What is the most appropriate method of payment for accommodation and services, e.g. cash, virtual cards, cash cards, daily allowance advance or foreign debit cards;
 - b) what is the most practical currency;
 - c) the need to visit a travel clinic where vaccination is required;
 - d) the political and security situation in the country;
 - e) applicable business etiquette;
 - f) weather conditions; and
 - g) South African Embassy's office address and contact details in the country to be visited.
- 8.15 In order to ensure business continuity and protect the interests of the institution, the Institutional Travel Policy or any other business continuity policy must make provision for travellers that are not allowed to travel together on official business trips.

9. APPROVAL AND AUTHORISATION

- 9.1 The approval and authorisation processes for travel varies between institutions. It is therefore necessary that the Institutional Travel Policy or the institution's Delegation of Authority (DOA) makes provision for the appropriate approval by appropriate Authorising Officials.
- 9.2 The approval and authorisation processes must promote a prompt decision on whether a trip is approved or not, as many air fares and accommodation rates are 'immediately payable' or expire within hours, if not confirmed, and may result in additional cost for the institution.
- 9.3 The Institutional Travel Policy must make provision for international trips to be approved by the Minister, AO/AA, CEO or a delegated senior official within the institution.
- 9.4 If the traveller is the Head of the institution (Director General, Head of Department, CEO), provision must be made in the Institutional Travel Policy or DOA policy for a delegated official to approve such trips.
- 9.5 Travellers are not allowed to approve their own travel requests and travel expenditure.

9. APPROVAL AND AUTHORISATION

- 9.6 All travel approvals must be in writing and signed by the authorising official prior to departure. In cases where obtaining verbal authorisation from the authorising official, it is the responsibility of the traveller to have the authorisation ratified by the authorising official within 72 hours from obtaining the verbal authorisation or where not practical, within 24 hours upon return to the place of work.
- 9.7 The AO/AA or delegated official may, in terms of the applicable legislation allowing an institution to delegate, and the institution's approved delegations, delegate the approval of the following:
 - a) domestic and international trips with its related expenses;
 - b) domestic and international chartering of aircraft (passenger/cargo);
 - c) upgrade of fare class for domestic and international air travel;
 - d) upgrade of accommodation to a higher star grading for domestic and international accommodation;
 - e) changes to existing domestic and international travel arrangements;
 - f) domestic and international after-hours reservations or emergency travel arrangements;
 - g) reimbursement of travel expenses, subsistence allowances and travel advances;
 - h) International trips undertaken by the Head of the institution (Director-General/Head of Department/CEO)

10. TRAVEL MANAGEMENT COMPANIES

- 10.1 The institution may appoint one or more TMCs. This must be done in accordance with the applicable SCM prescripts and Instructions issued by National Treasury to effectively and efficiently manage the institution's travel services.
- 10.2 The working relationship between the TMC and the institution must be controlled by a Service Level Agreement, which amongst others, shall require the TMC to:
 - a) obtain the best possible travel arrangements with the most competitive option when making travel bookings. In doing so, the TMC must be mindful of cost and value for money and provide competitive rates and best prices; and
 - b) constantly provide feedback on bookings including any pertinent information regarding the official business trip to the traveller, and resolutions of any concerns raised by travellers on the services rendered by the TMC.
- 10.3 The institution must manage the TMC to deliver cost-effective and operationally efficient support in achieving the institution's mandate.

10. TRAVEL MANAGEMENT COMPANIES

- 10.4 All rates offered by TMCs to institutions for domestic air and land arrangements must be net and non-commissionable. This will include rates offered by domestic airlines with which National Treasury has agreements, accommodation establishments, car rental providers and the informal accommodation market e.g. guest houses, bed & breakfast or any other similar establishments.
- 10.5 A transparent relationship between the institution and the TMC must be maintained and any commissions earned through an institution's volumes will be reimbursed to that institution. Where it is found or suspected that commissions are earned by the TMC for a specific institution's travel bookings, the institution may demand that all these commissions must be declared and reimbursed to the relevant institution or set-off against the TMC fees to the credit of the institution.
- 10.6 Institutions will only pay the transaction fees and/or management fees as agreed in the Service Level Agreement between the parties and the actual cost of the airline ticket, accommodation, car hire or shuttle service.
- 10.7 In the absence of the contracted services of a TMC, institutions must administer the procurement of travel related services through the applicable procurement processes.
- 10.8 The TMC must only issue travel vouchers (accommodation and ground transportation) and air tickets after the receipt of the travel authorisation or purchase order.
- 10.9 In the event of an after-hours reservation, the TMC must execute the request based on a verbal approval or approval via short message service or email from the authorising official. The institution must present the Travel Authorisation Form or purchase order to the TMC within 72 hours after the request was executed by the TMC or where not practical, within 24 hours upon return to the place of work, to avoid irregular or fruitless and wasteful expenditure.

10. TRAVEL MANAGEMENT COMPANIES

- 10.10 The TMC must follow up with the institution and upon failure by the institution to submit the Travel Authorisation Form or purchase order, the TMC may proceed to invoice the transaction.
- 10.11 Travel Lodge Card
 - 10.11.1 Institutions may lodge their travel credit card (“lodge card”) with the TMC as a mechanism to improve the regulated 30-day payment cycle for travel expenses and not to burden the TMC’s cash flow.
 - 10.11.2 The institutions may use the lodge card to pay for air travel costs. For land arrangements, such as ground transportation and accommodation, the institutions use the bill-back method or the option of virtual cards may be considered.
 - 10.11.3 The TMCs cannot pay themselves their management/service fee through the lodge card. The Institution pays the TMC directly on receipt of their invoice.

11. AIR TRAVEL

- 11.1 General Principles
- 11.1.1 Air travel should only be undertaken after remote communication tools, such as teleconferencing and video conferencing, have been considered. Institutions, through their authorising officials, travel bookers and, or, TMCs, must make every attempt to reduce travel costs by comparing the cost advantage of using alternative communication tools.
- 11.1.2 The authorising official must be satisfied that there is a demonstrated business need and must consider the following when selecting a fare for air travel:
 - a) Fare class: all air travel must be booked using the best price of the day and in the class of travel permitted under this policy.
 - b) Fare type: Institutional Travel Policies must address the use of restricted fare types as follows:
 - i. where there is a high degree of certainty of arrival or departure times, travellers, travel bookers and TMC must consider restricted fare types;
 - ii. where there is a possibility that a scheduled meeting will not proceed, or there is uncertainty around the time that a scheduled meeting may conclude, travellers, travel bookers and TMC must consider whether the additional cost of flexible fares outweighs the cost of possible changes or cancellation fees.
 - c) Value for money: travellers, travel bookers and TMC must compare fare classes and types across airlines servicing the particular route required.
 - d) Advance booking: in order to benefit from the available best price of the day, domestic travel should be booked at least seven days in advance, where possible. The most cost effective options are available when making travel bookings/reservations more than 14 days prior to departure. International travel should be booked at least three weeks in advance, where possible.

11. AIR TRAVEL

- 11.2 Class of Travel
- 11.2.1 Air Travel (including travel to neighbouring and regional countries) that are five hours or less
- 11.2.1.1 The standard of air travel for air travel of five hours or less must be in economy class. Any exceptions to this rule must be approved by the AO/AA or delegated official.
- 11.2.1.2 Business class is permitted in exceptional cases for trips less than five hours (from origin airport to destination airport) but requires prior approval of the AO/AA or delegated official.
- 11.2.1.3 Notwithstanding paragraphs 11.2.1.1 and 11.2.1.2, AO/AAs or delegated officials of institutions may approve the purchase of business class tickets—
 - a) for travellers with disabilities;
 - b) for travellers with special needs based on medical grounds;
 - c) in cases where economy class flights are not available travel bookers and, or TMC are not allowed to book business class unless approved by the AO/AA or delegated official, where it has been confirmed that the airline class was full and no other applicable flights are available;
 - d) where the business class ticket is the same price or cheaper than the economy class ticket to the same destination.

11. AIR TRAVEL

- 11.2.2 International Air Travel exceeding five hours
 - 11.2.2.1 International travel requires the approval of the most senior official or a duly delegated official of the institution.
 - 11.2.2.2 The standard of air travel for international flights exceeding five hours shall be economy class, however, the AO/AA or delegated official is authorised to approve a higher class based on the merits of each request.
 - 11.2.2.3 Business class is permitted for trips that exceed five hours (from origin airport to destination airport) but requires prior approval of the AO/AA or delegated official.
 - 11.2.2.4 Business class tickets may only be purchased for the following persons, unless the person elects to fly economy class:
 - a) Directors-General or persons holding equivalent ranks in departments;
 - b) Deputy Directors-General or persons holding equivalent ranks in a department;
 - c) Persons appointed on grounds of policy considerations in terms of section 12A of the Public Service Act, 1994 (i.e. advisors to executive authorities);

- 11.2.2.5 Notwithstanding paragraphs 11.2.2.2, 11.2.2.3 and 11.2.2.4 above, the AO/AA or delegated official may approve the purchase of business class tickets—
 - a) for travellers with disabilities;
 - b) for travellers with special needs based on medical grounds;
 - c) in cases where economy class flights are not available travel bookers and, or TMC are not allowed to book business class unless approved by the AO/AA or delegated official, where it has been confirmed that the airline class was full and no other applicable flights are available;

11. AIR TRAVEL

- d) where the business class ticket is the same price or cheaper than the economy class ticket to the same destination; or
- e) for a traveller accompanying a person entitled to travel at a higher class if the traveller is required to maintain contact with that person for business purposes, e.g. travelling together to make a presentation shortly after arrival.

11.2.2.6 For international trips the comparison of more expensive direct flights from the major airports versus cheaper indirect flights should always be performed. When choosing a flight, consideration should also be given to the travellers' ability to function optimally when arriving at their destination especially when travelling across time zones.

11.3 Changes to air tickets

11.3.1 If exceptional circumstances necessitate a change to a booking, it must be authorised by the authorising official, irrespective of whether it has a cost implication or not. Authorising officials must keep these changes to a minimum to mitigate the incurrence of fruitless and wasteful expenditure.

11.3.2 The cost associated with changes will be subject to the rules of the particular airline and may include penalty fees.

11.3.3 The cost incurred because of changes requested by a traveller for his or her convenience or lack of discipline will be for the Traveller's personal account. If the traveller does not immediately settle the additional expense, the institution will cover the initial cost, and if the traveller is found liable, recover the amount from the traveller.

11.3.4 The institution will carry the cost for changes because of changed business requirements or any circumstances outside the traveller's control, and if such expense is not justifiable, it is fruitless and wasteful expenditure.

11. AIR TRAVEL

- 11.4 Cancellations and Refunds
 - 11.4.1 The traveller must inform either the TMC or the travel booker immediately if he or she realises that they will not be able to take a specific flight which has already been booked.
 - 11.4.2 If the traveller will not fly to the same destination within the next six months, the air ticket must be cancelled immediately and a refund must be obtained. The refund of tickets is subject to the class of travel and airline rules.
 - 11.4.3 If the traveller will be travelling to the same destination within the next six months, the air ticket must be immediately amended to the new date if the exact date is known at the time. The re-use of the ticket is subject to the class of travel and airline rules.
 - 11.4.4 The traveller, travel booker and TMC must keep record of unused air tickets and refer to such record prior to booking a new ticket. If the air ticket is not used within six months, the institution must request the TMC to cancel the air ticket prior to the expiry date.
 - 11.4.5 If the traveller fails to inform the travel booker or TMC before the air ticket expires and a cancellation fee is incurred, the institution will cover the initial cost, and if the traveller is found liable, recover the amount from the traveller.
 - 11.4.6 Where non-refundable air tickets are cancelled, the TMC must disclose the amount of taxes recoverable and the TMC must recover the taxes and credit the institution accordingly. Airline rules apply.

11. AIR TRAVEL

- 11.5 Baggage Allowance
 - 11.5.1 The travellers must acquaint themselves with the baggage policy of the airline that he or she will be travelling on. The airline's baggage policy will provide information on the prescribed baggage allowance and the cost for baggage in instances where the airline charges separately for baggage.
 - 11.5.2 Based on the class of travel, the airline prescribes the specific number of pieces of luggage that it allows, as well as the weight and size per piece.
 - 11.5.3 The traveller will incur a fee if his or her baggage exceeds the weight, specified dimensions or the number of items allowed. Such cost is for the traveller's personal account.
 - 11.5.4 The institution reimburses excess baggage for exceeding the baggage allowance if it is due to a valid business reason.

- 11.6 Airport Lounge Facilities
 - Business class travellers and travellers with selected loyalty card status have access to the lounge facilities of the respective airlines. Lounge facilities are available at a cost to economy class travellers at certain airports. These costs are for the traveller's own personal account.

12. ACCOMMODATION

- 12.1 General Principles
- 12.1.1 The institution shall provide accommodation for officials who are required to perform official business duties away from their normal place of work.
- 12.1.2 Domestic overnight accommodation for travellers is limited to instances where—
 - (a) the distance travelled exceeds 300 kilometres on a return journey (150km each way) from the place of work to the destination;
 - (b) the meeting/ conference/workshop is held over a number of days; or
 - (c) the event finishes after hours.
- 12.1.3 When choosing domestic or international accommodation, the travel booker, and, or TMCs must choose the lowest rate available at suitable accommodation establishments within reasonable distance from place of duty. The travel booker will select the most appropriate star rating, based on what is allowed in this Policy, business requirements and total cost of travel (typically, accommodation rates plus transportation costs).
- 12.1.4 Domestic accommodation selected must not exceed the maximum allowable rates as prescribed by National Treasury. Any exceptions to this rule must be approved by the AO/AA or delegated official.
- 12.1.5 The AA/AO or delegated official may only approve domestic accommodation costs that exceed the maximum allowable rates under the following circumstances:
 - a) During peak holiday periods;

12. ACCOMMODATION

- b) When the demand is high and the accommodation establishments are sold out;
- c) The accommodation that is still available is priced higher than the maximum allowable rates. In this case the travel Booker must book the most reasonable option and retain a record of why the maximum was exceeded;
- d) When officials are required to stay over in the accommodation establishment where the official business is conducted to avoid additional traveling cost; and
- e) If there is an operational requirement.
- 12.1.6 The area to which a traveller is travelling shall be taken into account when accommodation is booked, to ensure that it is adequate and reasonably priced. Where suitable accommodation is not available, accommodation of a comparable standard shall be arranged.
- 12.1.7 Special dietary requirements must be considered when the most relevant accommodation option is booked. If the accommodation establishment does not cater for special dietary requirements, then a room excluding meals must be booked (bed-and-breakfast or room only). The traveller may claim the actual expenditure for the meals (not exceeding the maximum daily amount and must be accompanied by receipts as supporting evidence).

12. ACCOMMODATION

- 12.2 Class of accommodation
- 12.2.1 Domestic accommodation
- 12.2.1.1 Institutions may enter into agreements, through the normal prescribed procurement process, with accommodation facilities to secure rates that are lower than the maximum allowable rates prescribed by National Treasury.
- 12.2.1.2 The maximum allowable rates are per star grading and type (room only, bed-and-breakfast or dinner-bed-and-breakfast) for domestic accommodation within which a traveller is allowed to be accommodated in accordance with his or her organisational level or position within the institution.
- 12.2.1.3 The standard class of domestic accommodation must be a three-star establishment or equivalent accommodation establishment, unless approved otherwise by the AO/AA or delegated official.

12. ACCOMMODATION

- 12.2.1.4 The following persons may stay in a four-star establishment or equivalent accommodation establishment, unless the person elects to stay in a lower graded establishment:
 - a) AO/Director-General or persons holding equivalent ranks in departments;
 - b) Deputy Director-General or persons holding equivalent ranks in departments;

 - i) Non-executive members serving on any Governance Committee of Institutions.

12. ACCOMMODATION

- 12.2.1.5 Notwithstanding paragraphs 12.2.1.3 and 12.2.1.4 above, a higher star graded establishment may be booked (irrespective of the organisational level or position) under the following circumstances:
 - a) Where the rate of the higher star graded establishment is equal or lower than the lower star graded establishment and within the limits of the maximum allowable rates permitted;
 - b) The higher star graded establishment is the only available option due to location and availability;
 - c) The institution has negotiated lower rates with the higher star graded establishment and the rates are within the limits of the maximum allowable rates permitted.
 - d) In all cases the principle of cost-effectiveness must prevail. The lowest rate available at suitable accommodation establishments within reasonable distance from place of duty. The travel booker will determine the most appropriate star rating, based on an assessment of government business requirements and total cost of travel (typically, accommodation rates plus transportation costs).

12. ACCOMMODATION

- 12.2.1.6 In exceptional cases the AO/AA or delegated official may approve a deviation from paragraphs 12.2.1.3, 12.2.1.4 and 12.2.1.5 above with justifiable reasons and accurately recorded for audit purposes.
- 12.2.2 International accommodation
- 12.2.2.1 International travel requires the approval of the most senior official or a duly delegated official of the institution.
- 12.2.2.2 The approval submission must comply with the requirements of paragraph 8.12, with specific reference to the financial implications and be approved by the most senior official or a duly delegated official.

13. GROUND TRANSPORTATION

- 13.1 General Principles
- 13.1.1 Any journey between an official's residence and normal place of work constitutes a private journey. Where the institution requires an official to attend to official business matters at the normal place of work on a weekend or public holiday and such day is not a normal working day, the trip is an official business trip. If required to return to the place of work after hours such trip is an official business trip.
- 13.1.2 Any journey where the official departs from his or her residence directly to a place of duty and, or, returns from such a venue directly to his or her residence, is considered an official business trip. In such cases, the claim must be based on the actual kilometres travelled.
- 13.1.3 In cases where the official business trip includes both air and road travel, travel bookers and, or TMCs must select the mode and combination thereof that is the most cost-effective and practical, taking into account the total cost of the official business trip and time consumed.
- 13.1.4 Where more than one traveller/official is attending the same event or meeting, they must co-ordinate the renting of cars or shuttle services in order to reduce the cost. This provision also applies to SMS officials using their own vehicle or MMS that has structured for a vehicle allowance.

13. GROUND TRANSPORTATION

- 13.1.5 Only officials (permanent and contracted) may drive rental vehicles and institutional fleet vehicles. In exceptional circumstances, institutions may authorise other travellers to drive rental vehicles or institutional vehicles for official business purposes, subject to the completion of all relevant indemnities and approval in terms of the institution's DOA Policy.
- 13.1.6 Institutions must manage accident and damage claims against the State in terms of applicable legal frameworks and the law.
- 13.1.7 Any fines, penalties and administration fees payable as a result of the contravention of any traffic rules and regulations will be for the traveller's own personal account, whilst using an institutional or rental vehicle.
- 13.1.8 The traveller must take every precaution to safeguard a rental or institutional vehicle against damage, theft or irregular use while driving it and when it is parked.
- 13.1.9 A PDP is required to drive a minibus or bus with for more than 12 passengers including the driver. Institutions must ensure that the travel booker and, or, the TMC request that a copy of the PDP of the designated driver is submitted when booking a minibus or bus to transport travellers for official business.

13. GROUND TRANSPORTATION

- 13.4 Use of private vehicles
- 13.4.1 Institutional Travel Policies must make provision for the prior approval of the use of private vehicles for official business (excluding officials that have structured for travel allowance).
- 13.4.2 When an official is required to make use of his or her private vehicle for official business purposes, the official must obtain travel authorisation prior to commencing with the journey, if the use of the private vehicle will save time and reduce costs. Such authorisation can be granted for a specific period of time based on a work plan or as agreed to with the delegated authority.
- 13.4.3 In cases where an official travel to an official business event in his or her private vehicle without prior approval, the institution may not reimburse the official.
- 13.4.4 Under no circumstances may institutions pay fuel advances for the use of privately-owned vehicles.

13. GROUND TRANSPORTATION

- 13.6 Car Rental
 - 13.6.1 General Principles
 - 13.6.1.1 AOs and AAs are responsible for the cost-effective management of Car Rental expenses.
 - 13.6.1.2 The travel booker and, or, TMC consultant must book a rental vehicle for the period that it is actually required for official business.
 - 13.6.1.3 The traveller must return the rental vehicle within the specified rental period or notify the travel booker and, or, TMC to make additional arrangements with the Car Rental Company. If the traveller fails to inform the travel booker and, or, the TMC, where it was in his or her ability to do so, and additional charges are incurred, the institution must settle the account, and if the traveller is found liable recover the amount from the traveller.

13. GROUND TRANSPORTATION

- 13.6.1.4 If the traveller needs to extend the rental period for official business purposes, the traveller must obtain approval from the authorising official and the TMC will issue a travel voucher for the extended period.
- 13.6.1.5 When renting a vehicle, the institution must give cost consideration to the vehicle group, the number of rental days, the kilometres driven, and the time and place for the collection and return of the vehicle.
- 13.6.1.6 Only the designated driver is allowed to drive the rental vehicle at any time.
- 13.6.1.7 Any extra charges for special requests such as special models, colour, personal indemnity insurance, etc. (excluding those mentioned in paragraph 16.5 below) are the sole responsibility of the traveller and will be settled directly with the Car Rental Company. The institution will not be liable for any charges. If the traveller does not immediately settle the additional expense, the institution must cover the initial cost, and if the traveller is found liable, recover the amount from the traveller.
- 13.6.1.8 The traveller must only use the rental vehicle for official business purposes.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.1 General Principles
 - 14.1.1 Institutions must have a travel and subsistence policy (Institutional Travel Policy), in terms of which the institution will pay officials, who are required to spend at least one night away from their usual place of residence on local travel for business purposes, an allowance for each night away to cover personal expenses such as meals, refreshments and laundry.
 - 14.1.2 ‘Subsistence’ is defined as an allowance paid by the institution to the official for expenses incurred or to be incurred in respect of personal subsistence and incidental expenses while away from their usual place of residence for business purposes. The allowance is specifically not for accommodation, since the institution will arrange and pay for the accommodation separately.
 - 14.1.3 Travel expenses must be properly documented and approved according to the Institutional Travel Policy. It is the traveller’s responsibility to adhere to these policies and, or procedures when involved with travel expenditure on behalf of the institution. Further, it is the responsibility of the authorising official to be familiar with the reason for the expenditure and to be satisfied that they have been reported and claimed in a manner consistent with the Institution’s policies and, or procedures.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.1.4 Travellers are expected to:
 - a) exercise good judgment with respect to expenses;
 - b) spend the Institution's money as carefully and judiciously as they would their own; and
 - c) report all expenses and advances promptly and accurately with required documentation.
- 14.1.5 Subsistence allowances are not to:
 - a) enable a traveller to entertain;
 - b) compensate a traveller for any discomfort; and
 - c) supplement a traveller's salary.
- 14.1.6 The DPSA annually publishes a "Financial Manual for the Purposes of Calculation and Application of Allowances and Benefits" and issues Circulars indicating any adjustments of allowances and tariffs contained in the Financial Manual.
- 14.1.7 The PSCBC Resolution 3 of 1999 makes provision for various kinds of remunerative allowances and benefits related to travel.
- 14.1.8 Institutions to which the DPSA Financial Manual and the PSCBC Resolution do not apply must use the published SARS subsistence allowance and advance rates.
- 14.1.9 Institutions must familiarise themselves with these provisions and apply them accordingly.
- 14.1.10 The double payment of expenses is prohibited, e.g. an official may not claim for meal expenses if meals are already included in the accommodation and, or conference arrangements.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.2 Reimbursable expenses
- 14.2.1 The following expenses are reimbursable via the institution's expense claim policy and, or procedures while on official business. Institutions only reimburse costs on submission of proof of expenditure. In the absence of a receipt or proof of payment, the traveller must comply with paragraph 8.8 above.
 - a) Parking costs at airports, hotels and conferences;
 - b) Toll fees (excluding SAPS and DOD who are exempt);
 - c) Laundry expenses;
 - d) Cost of meals (if not included in the Accommodation voucher);

 - f) Use of business centres and communication at Accommodation Establishments or event facilities;
 - g) Business travel vaccination requirements;

 - i) Fees incurred to access the health club or fitness centres of accommodation establishments; and
 - j) Any other expenses not directly related to official business.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.4.8 Reasonable actual expenditure on meals may be claimed in the following circumstances:
 - Breakfast
 - If it is not included in the Accommodation arrangements; and, or,
 - If the Traveller leaves his or her residence or Place of Work before 06h00.
 - Lunch
 - Lunch may only be claimed if it is not provided by the host.

 - If the Traveller returns to his or her residence or Place of Work after 20h00.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.6 International Trips
 - 14.6.1 The Minister for the Public Service and Administration determines, in terms of section 3(5)(a) and 5(6)(b) of the Public Service Act, 1994, read with the Public Service Regulations, 2016, the daily allowances in respect of certain countries for official visits abroad that will be effective 1 April of each year.
 - 14.6.2 For international travel, the different allowance rates for the different destination countries are annually disclosed in the Financial Manual issued by the DPSA and annually gazetted by SARS. Institutions may use either of these documents when calculating the allowance.
 - 14.6.3 The foreign daily allowance of the country of destination must be utilised to calculate the allowance.
 - 14.6.4 Allowances for international travel must be calculated where the traveller is away from his or her place of work for 24 hours or longer, and hourly thereafter. The calculation of the allowance shall take effect three hours before flight departure and shall end three hours after the return flight has landed.
 - 14.6.5 If the traveller travels from the country of destination to another country, the foreign daily allowance of the next country of destination is payable from the time that the traveller departs from the first country of destination, up to when the traveller departs from the next country of destination.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.6.6 When a traveller returns to South Africa from abroad, a South African daily allowance (equal to the amount in respect of meals as well as incidental expenditure), will be payable to the traveller, from his or her departure out of the last country of destination up to three hours after the return flight has landed.
- 14.6.7 If a flight to the country of destination is not a direct flight and the traveller will have to spend a period of time in transit in a country other than the country of destination, the foreign daily allowance applicable to the country of destination, is payable to the traveller.
- 14.6.8 No proof of expenditure is required for the payment of a foreign daily allowance to travellers.
- 14.6.9 The purpose of the foreign daily allowance is to reimburse a traveller for expenditure in respect of meals and incidental expenditure (e.g. tips/gratuities, private telephone calls, newspapers and refreshments) and is payable to all officials up to the organisational level of Deputy Directors-General of departments, officials reporting directly to the AO of a constitutional institution, and officials reporting directly to the CEO of a public entity.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.6.10 The foreign daily allowance as set out in the Financial Manual, is payable to travellers (irrespective of rank) accompanying a Minister or Deputy Minister or a traveller who accompanies the Minister, Deputy Minister or Head of Department for the period that he or she accompanies the Minister, Deputy Minister or Director-General on their travels to reimburse the employee for expenditure in respect of meals and incidental expenditure.
- 14.6.11 The institution must apply the double claiming exclusion in paragraph 14.1.10 above to all allowances. For international travel, the institution may not pay the traveller's actual expense claim where it is covered in terms of an allowance. Meals included in accommodation arrangements will be excluded from the allowance e.g. reimbursement of claims are not permitted where breakfast and, or, dinner is included in the accommodation rate.
- 14.6.12 When expenditure on accommodation is wholly covered by public funds, the traveller is compensated on the following basis:
 - a) In the event of official visits to the countries listed:
 - (i) The reasonable actual expenses in respect of accommodation, dry cleaning and laundering as per paragraph 12.4.4 above; and
 - (ii) A special daily allowance to compensate for the traveller's three meals and incidental expenses (e.g. reading matter, private telephone calls and soft drinks which do not form part of meals).

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- c) Losses suffered by a traveller due to an unfavourable exchange rate at the conversion of foreign currency upon his or her return from a journey abroad, are regarded as expenses relating to the journey abroad and must be claimed by the employee as part of his or her claim.
- d) In calculating the rand value of losses suffered as a result of the conversion of Rands to foreign currency and vice versa, the losses suffered will be limited to the maximum amount approved for the journey (excluding expenses incurred before the journey). Losses suffered in relation to private money taken by the employee additional to such maximum amount will be for the account of the employee.

• 14.7 Travel Advances

- 14.7.1 To avoid undue hardship to travellers, the institution may grant travel advances to qualifying travellers to defray S&T costs.
- 14.7.2 Travel advances may be calculated for meals, private transportation and accommodation cost if not booked via the TMC.

- 14.7.9 Travel advances will not be issued to travellers with any outstanding travel advances, or as determined by the Institution's Travel Policy.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.7.12 In the event that a claim is more than the travel advance, the institution must reimburse the difference to the traveller within five working days, after receipt of the claim or on the next salary run.
- 14.7.13 If a travel advance was granted to an official for official business travel abroad, the spot exchange rate at the date of each transaction claimed must be used for the calculation of the claim. Where it is impractical to do so, a rate that approximates the actual rate at the date of the transaction shall be used, for example, an average exchange rate for a week or month.
- 14.7.14 If an official business trip is cancelled and the traveller does not pay the full travel advance amount to the institution within seven days after the cancellation date, the amount will be deducted from the traveller's salary, subject to applicable prescripts.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.8 Kilometre Travel Claims

- 14.8.2 All travel kilometres claimed must be based on the actual distance travelled.
- 14.8.3 Google maps can be accessed on the web to determine the distance between the place of work (office) and the place of duty (destination). This provides a guideline when determining actual kilometres travelled.
- 14.8.4 The traveller must attach the kilometre calculation to the claim form setting out the expenditure claimed to verify that the kilometres claimed are reasonable. The traveller may attach proof of a reputable map (e.g. Google maps), confirming the distance travelled.
- 14.8.5 If a traveller (other than a senior manager or a middle manager who is receiving a car allowance as per paragraph 13.5 above) uses his or her own private vehicle to carry out official business duties, the traveller will be compensated for the official kilometres travelled, either according to the Tariffs for the Use of Motor Transport, as determined by the Department of Transport or the SARS kilometre rates, whichever is applicable to the institution.
- 14.8.6 Kilometre travel claims must be submitted within 30 days after the traveller has returned to the place of work or as per the Institutional Travel Policy.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

- 14.9 Submission of Claims
- 14.9.1 All claims for S&T must, where possible, be submitted within 30 days from the date of the traveller's return. Claims older than 30 days may be rejected and not paid by the institution.
- 14.9.2 Notwithstanding paragraph 14.9.1, a motivation for late submission may be considered for approval by the AO/AA or delegated official provided that:
 - a) The circumstances that led to the late submission were unforeseeable and beyond the control of the traveller; and, or

- 16.3.6 The travel insurance should be suspended when a traveller extends his/her official travel for personal reasons.
- 16.4 Baggage Insurance
- 16.4.1 Each institution carries its own risk and do, therefore, not offer insurance cover for official business domestic trips. Each case of loss or damage will be considered on its own merit.
- 16.4.2 In the case of damage to, or loss of, a traveller's property (excluding vehicles), the institution may consider each case on its own merit to compensate the traveller in terms of the institution's policy and procedure on losses and claims, if the damage or loss is not covered in terms of the service provider's or the traveller's own insurance policy.
